Comments:

- *Your community analysis was very thorough
- * Your community standards have the essential
- * It seemed that Haneol has a disproportionate amount of commits compared to other members
- * Your demo was good, you showed how to install and run your project. You implemented the functions that you planned, which reflects with project management skills. Good job!

* Note: E grade was given to a section only if it was outstanding compared to other teams.

Ranks Poor (20%), Fair (50%), Good (80%), Excellent(100%)
